Sub: - Ayush Sanjivani mobile application based study for impact assessment of acceptance and usage of AYUSH advisories in its role in prevention of COVID19 -reg.

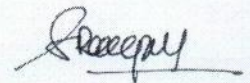

Sir,

The Ministry of AYUSH has developed the Ayush Sanjivani mobile app for generating data of large population with a target of 5 million people. The core expected outcomes includes generating data on acceptance and usage of AYUSH advocacies and measures among the population and its impact in prevention of COVID-19. The mobile app has been jointly launched by Hon’ble Health Minister Sh. Harsh Vardhan and Hon’ble Minister of State for AYUSH Sh. Shripad Yesso Naik on 07.05.2020 at New Delhi. The Union Health Minister said that the Ayush Sanjivani mobile app developed by Ministry of AYUSH will be useful to generate data on acceptance and usage of AYUSH advocacies and measures among the population and its impact in prevention of COVID-19. The link to download this app is <https://play.google.com/store/apps/details?id=com.negd.ayushfeedback>

2. In order to achieve its target of generating data of 5 million population wider dissemination of information related to the Ayush Sanjivani mobile app is needed. Therefore, it is requested that the information related to the said mobile app may be circulated among all the ASU & H colleges and all the registered AYUSH practitioners instructing them to get involved in the study and also to create awareness among people and encourage them to participate actively in the study.

3. This issues with the approval of Competent Authority.

Yours faithfully,

(Dr. Shashi Ranjan Kumar Vidyarthi)
Director, Ministry of AYUSH
Government of India
