CIRCULAR No. 01/2020

Sub: Learning App for Students

Vinformax is a company which has recreated curriculum-based medical education content with 3D animations in the brand name of MediMagic™ & is coming out to help all students across Maharashtra during the COVID-19 pandemic situation as a social concern.

"MediMagic" is a learning app that is available on Android and iOS platforms. This can be downloaded from the PlayStore and the AppStore.

MediMagic product encompasses 3D animated content for Pre-clinical & Para clinical lessons mapped to the curriculum of MUHS and MCI. During this lockdown period of COVID-19, MediMagic[™] offers its learning app FREE for all medical students of MUHS till 31th Aug 2020.

MediMagic App can be used by the students for selp-learning while reading their textbooks. Concepts and Images in the textbooks can be visualized from the respective videos in the MediMagic Apps.

The download links for the App are provided below:

iOS: apple.co/31A2bQr

Android:bit.ly/MediMagic

The Dean/Principals of all affiliated colleges are hereby instructed to inform the students via email/sms about the same to help them in self-learning and visualization of the content in their textbooks.

For any further queries and services, you can contact the representatives on: info@medimagic.com, www.medimagic.com,
