## Introduction

• HOMCON 2023 is the 9th National Homeopathic Conference of HE&DS organized in association with Indian Society of Homoeopathy. The Conference aims to bring an array of clinical experiences from stalwarts as well as budding clinicians under one roof for a synergistic development of clinical knowledge of the homeopathic fraternity at large. Thus the theme for the conference has been chosen as: "Homeopathy as Mainstream Medicine". This edition of the conference will be held on the 2nd and 3rd of September 2023 in Agra, India at Hotel Crystal Sarovar Premiere. Agra is uniquely placed, well connected and rich with cultural heritage.

Your presence will enrich the program and we look forward to welcome you.
