*Few Words About Our International Guest Speaker  
(Mrs Cathy May Lemmon)*

Cathy May Lemmon, BA, LCPH, MARH, RSHom (NA), CHP, completed postgraduate homeopathic studies at the College of Practical Homeopathy in London, and received diplomas from the School of Homeopathy in the UK.

She has also completed specialized homeopathic studies through *Gesundes Bewußtsein* in Germany and the Amma Resonance Healing Foundation (ARHF) in the Netherlands.

Mrs. Lemmon has studied extensively the nontoxic immunisation option, Homeopathic Prophylaxis ("HP") and works closely with world authorities in this. She has presented about this worldwide

Through the nonprofit organisation she has founded, Homeoprophylaxis: A Worldwide Choice (HPWWC), she has put together international conferences which have taken place in Dallas, Texas, USA, the Netherlands, and Delhi, India.

Mrs. Lemmon has articles published in many international magazines, including *Homeopathic Links*; the German language homeopathic magazine, *Surya*; the Dutch homeopathic magazine, *Dynamis*; and the international online homeopathic magazine, [HPathy.com](http://HPathy.com).

She is a member of the North American Society of Homeopathy, the National Center of Homeopathy, the Alliance of Registered Homeopaths (UK), and the Texas Society of Homeopathy.

*Few Words About Our International Guest Speaker  
(Dr. James Hegarty)*

Dr. James Hegarty

Studied at Burren School of Homoeopathy  
Homoeopathic practitioner at Newbridge College, Kildare  
Ireland.

Renowned international speaker

"Those who suffer need you to be something more than a doctor; they need you to be a healer. And, to become a healer, you must do something even more difficult than putting your white coat on.

You must take your white coat off. You must recover, embrace, and treasure the memory of your shared, frail humanity – of the dignity in each and every soul."
