FEW WORDS ABOUT OUR GUEST SPEAKERS ;;

Mr. Laszlo Szabo

Mr. Szabo started to use homeopathy 20 years ago. He studied homeopathy between 2013-2017 at CHE London / Budapest and got a Diploma with A grade. CHE is the largest UK homeopathic training institute. His teachers were Farokh Master, Laszlo Bona, Ralph Jütter and other UK and Hungarian homeopaths and had guest lectures from Rajan Shankaran, Jeremy Sherr, Roberto Petrucci among others.

In the last 5 years he focused his activity on meta-analysis of basic research connecting to the homeopathic principles to understand better how homeopathy works. Mr. Szabo published articles about the science and history of homeopathy and held lectures about this in homeopathic and alternative medicine conferences and workshops
