

SPEED POST/MOST IMMEDIATE

F.NoY.11030/6/2020.EP-III

Government of India

Ministry of Ayurveda, Yoga & Naturopathy, Unani, Siddha and Homoeopathy

'AYUSH BHAWAN', B-Block,
GPO Complex, INA,
New Delhi-110023
Dated: 13th May, 2020

To,

The Principal Secretary/Secretary (Health)/Commissioner AYUSH of all States/ UTs.

Sub:- Comprehensive Revised Guidelines for Central Nomination to Bachelor in Ayurvedic Medicine & Surgery (BAMS), Bachelor in Unani Medicine & Surgery (BUMS), Bachelor in Siddha Medicine & Surgery (BSMS) and Bachelor in Homoeopathic Medicine & Surgery (BHMS) Courses for the academic session **2020-21** – regarding.

Sir,

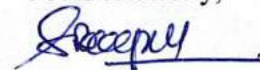

As you are aware that to meet the resurgence of interest in Ayurveda, Siddha, Unani & Homoeopathy (ASU&H) medicines in India & abroad and also in pursuance of the 55th Report of the Department Related Parliamentary Standing Committee on Demand for Grants, few seats in ASU&H Under Graduate (UG) courses are reserved/earmarked for Government of India under 'Central Pool' in few donor institutes of the country and are allotted to the students/candidates of the specific States/UTs, where the colleges of the respective system is not available, for studying Under Graduate (UG) Courses. The same is in implementation through existing UG Scheme Guidelines (A.Y.2019-20) bearing F.No.R.14016/1/2019-EP-II dated 23.4.2019 for Central Government Nomination (CGN).

2. In this regard, I am directed to state that the above mentioned UG Scheme Guidelines have been reviewed by this Ministry and it has accordingly been decided that in supersession of all previous guidelines on the subject, the following Comprehensive Revised Guidelines for Central Government Nomination to Under Graduate (UG) courses (BAMS, BUMS, BSMS & BHMS) shall take effect from the academic session **2020-21**. A statement showing the seats made available by various ISM&H colleges (donors) and re-allocated to specific deficient States/UTs in specific donor institutions in specific UG courses for utilization by Government of India for the students of those specific deficient States/UTs, where there are no such Government-run colleges available, have been shown in the enclosed **Annexure**. However, admission shall be given after confirming permission of Central Govt. to the respective college for the respective year. For the purpose of this Scheme Guidelines, the meaning of the following words is as under:-

- a) Deficient State/UT – means in which State/UT no Government-run college of the UG Courses (viz. BAMS, BUMS, BSMS & BHMS) for study is existed.
- b) Eligible candidates – means candidates belonging to deficient States/UTs, against whom the earmarked seat(s) in specific UG course has/have been allotted against specific College (donor), where there are no such Government-run college of the respective course of UG for studying, are only eligible for nomination/admission under the 'Central Pool' reserved seats in the specific donor institutes of this Scheme.
- c) Donor Institutes – means in which institutes seats under 'Central Pool' are reserved and re-allotted to specific deficient State/UT for Central Govt. Nomination (CGN) of candidates.

- (i) To ensure admission of meritorious students/candidates to AYUSH streams of medicine, NEET qualified students, conducted CBSE, are only to be selected for nomination to degree courses by the specific deficient State/UT. The deficient State/UT Govt./Administration, whom earmarked seats for Govt. of India have been allotted in the enclosed Annexure, will invite applications from the interested candidates of NEET qualified of their State/UT for nomination to degree courses by a stipulated date.
 - (ii) The list of their nominees will be forwarded to the concerned colleges (donor)/Directorate of ISM&H of States/Union Territories as stipulated in the prospectus released every year by the college authorities of the donor institute and under no circumstances to this Ministry.
 - (iii) In case the specific deficient State/UT Govts. fail to nominate their candidates against the allotted seats to the specific donor institute, the donor college authorities will fill up the seats only by the NEET qualified candidates under intimation to this Ministry.
 - (iv) The donor college authorities would admit NEET qualified students nominated by the specific deficient State/UT Government without taking any other admission test subject to fulfillment of qualifying eligibility criteria, as the deficient States/UTs are 'required' to nominate their candidates on the basis of the NEET merit list.
 - (v) The college authorities (donor institutions) are, therefore, empowered under the provisions of this Scheme Guidelines to admit "nominees" of the specific deficient State/UT candidates in their institutions without referring to this Ministry seeking further direction/approval.
3. The allotted deficient State/UT Govts. are requested to utilize the slots/seats made available to them by recommending/nominating suitable NEET qualified candidates for admission to degree courses to the Colleges allotted to them under intimation to this Ministry. The deficient State/UT Govts. should shortlist candidates on the basis of NEET merit list only.
4. The Medical Colleges/Institutions(donor) mentioned in the Annexure are required to conform to the requirements of the Indian Medicine Central Council Act, 1970 and the Homoeopathic Central Council Act, 1973, as the case may be, and the Regulations of the Central Council of Indian Medicine and Central Council of Homoeopathy. The candidate who applies for nomination/admission against earmarked allotted seats must be informed upfront in writing that his/her actual admission in the college/institution(donor) or the course concerned shall depend upon and be subject to the college/institution(donor) concerned having received the requisite permission for that relevant academic year including this year 2020-21 of the Central Government as the Administrative Divisions of this Ministry are yet to finalize grant or denial of permission to the ASU/Homoeo Colleges/institutions for the academic session 2020-21.
5. The above instructions and guidelines shall remain valid for subsequent academic years unless modified or amended.
6. This issues with the approval of the competent authority.

Yours faithfully,

(Dr. S.R.K. Vidyarthi)
Director
